Dear

We are writing this note to express our deepest thanks for your consistent donation to the GDGO Scholarship Program. Generous gifts from donors like you provide the financial and moral support needed to continue our mission.

With your consistent financial contributions over the years, you've demonstrated your deep commitment to our primary goal of educating the brightest but less fortunate. You should know that most have completed their studies and embarked upon careers.

Your support of the program since 1995 has played a key role in enrolling 3,360 young Gondaries at the college level and in other higher level educational and other learning institutions. Many have graduated and are successful in a variety of professions. In short, the impact of this education program has a chain effect on the family and society.

We cannot find words to fully express our gratitude for your support. We at GDGO are continually inspired by the dedication and generosity of donors like yourself who answer the call of the region we come from to give again and again.

We look forward to a continuing partnership with you.

Sincerely,

Dr. Mulatu Wubneh, Board Chairman

Amsal Woreta, Director
